"The Gripper" Short (1/2") Trim Pad Driver

Need to determine the correct brush for your application? Or which clutch plate will fit your machine? Just ask the Carlisle Rotary Wizard!

https://www.carlislefsp.com/rotarywizard

FLOOR MACHINE BRUSHES & DRIVE PADS

Notes

1. While relatively more expensive than the wire brush, the extreme durability of the Nylo-Grit® brush warrants consideration as an alternative for stripping and scrubbing operations. The principle advantages are:

   • Extreme durability - will outlast 100 nylon stripping pads
   • More resistant to "taking a set" than wire brush
   • Will not rust in moisture-laden environment

2. All brushes come complete with a clutch plate. Most machines accept the 4101B plate (standard on all brushes shown with 5" center holes on the left). Less common clutch plates can be substituted on these brushes at no charge prior to shipping.

SCRAPE-AWAY® TOOL Flo-Pac

- For scraping and stripping operations on concrete floors
- Designed for use only on 175 rpm machines with 1 HP or greater motors
- Heavy-duty circular aluminum casting with 5" center hole
- Includes heavy-duty "N" series clutch plate
- Equipped with 6 replaceable carbon steel cutter blades, each with 8 cutting edges
- Available in 13", 15", and 17" sizes - order 2" smaller than machine size

**CLEANING, WAXING AND POLISHING SUPPLIES**

**Trewax® Family of Fine Wood Care Products**

**CLEAR PASTE WAX** - Contains Brazilian Carnauba, the world's hardest natural wax ensuring a lustrous, hard, long wearing finish. Restores the original rich brilliance of hardwood floors and can also be used on fine wood furniture and marble surfaces. A 12.35 ounce can will cover approximately 800 square feet. Dries quickly and is non-slip.

**HARDWOOD FLOOR CLEANER**
Safely, quickly and easily removes the soils and stains that are common to every household. Do not use on unsealed wood floors. May be used on other washable surfaces such as walls, cabinets and counter tops.

**HARDWOOD FLOOR REFINISHER**
The easiest finish to apply for beautiful wood floors and factory finished wood floors. No buffing, no offensive odors. Restores and aids in the repair of light and medium abrasions of heavily traveled flooring. Long lasting lustrous shine, durable protection and wear. Pleasant apple-cinnamon fragrance.

**GOLD LABEL SATIN FINISH SEALER WAX**
Carnauba based, exclusive formula with special additives to restore the original gloss after repeated mopping and wear. So durable, it is buffable for months. It’s non-yellowing acrylic formula dries to a beautiful satin finish that seals and protects floors from dirt and stains. Can be used on vinyl, rubber, no-wax linoleum, unglazed ceramic, terrazzo and asphalt flooring. The buffing wax of choice.

**WAX STRIPPER**
No scrub formulation of emulsifiers quickly penetrates and lifts all brands of floor finishes for easy pick up with a mop or wet vacuum. Safe for any surface except wood. Easy to use without any offensive odors. Concentrated.

**GOLD LABEL HIGH GLOSS SEALER WAX**
Superior quality self polishing enhanced acrylic formula seals floors, providing a brilliant gloss, durable protection, and long wear. Non-yellowing, scuff and stain resistant. For all vinyl, rubber, linoleum, asphalt, and sealed wood floors. Great on terrazzo and slate. No buffing required.

**STONE AND TILE SEALER**
A one-step beauty treatment for interior stone and masonry surfaces. The acrylic urethane finish provides excellent protection and durability. Detergent, scuff, and stain resistant. Water-based and fast drying. Low odor, can be easily recoated, and will not discolor when maintained properly.

**NEUTRAL FLOOR CLEANER**
Formulated with a neutral pH to effectively, yet safely, clean and extend the life of floors and the floor finish without dulling the shine. The residue-free formula eliminates the need for rinsing during regular cleaning. Fortified with optical brighteners, UV inhibitors and built-in water softeners to remove hard water haze.
